

Madison District Dietetic Association (MDDA)

MDDA is an affiliate of the Wisconsin Dietetic Association (WDA) and the American Dietetic Association (ADA). MDDA represents the local professional organization of Registered Dietitians (RD), Diet Technicians – Registered (DTR), dietetic interns, and dietetic students residing in the city of Madison and the surrounding area.

Qualifications for membership: any member of the ADA is eligible to join MDDA.

Benefits of membership: MDDA strives to provide its members with opportunities to network, obtain continuing professional education units, volunteer in the community, and promote the dietetic profession. Members also have many opportunities to become involved with the association by serving on a committee or on the Board of Directors, which can help build valuable leadership and communication skills. Currently, MDDA provides 4 membership meetings per year, for an opportunity to accrue up to 8 CPEU's.

More information on MDDA can be found on WDA's website: eatrightwisc.org. Look under the Continuing Education and Members tabs for a list of upcoming MDDA events, newsletters, and contact information for those currently serving on the Board of Directors.
